

Hi-Fi+ Awards 2018 – Power Product Of The Year – Shunyata Research Denali D6000/T UK

POSTED ON DECEMBER 4, 2018

“This is sound less distorted, pure and simple. It sounds like your electronics are tampering with the sound less than before, almost irrespective of the type of electronics used. It’s the system you bought in the first place, as it should be, and it works universally.”

Shunyata Research’s Denali D6000/T UK power distributor wins Hi-Fi+’s Power Products Of The Year award!
